## A Different Kind of Venue for Small Businesses

If you run a growing business, taking your team away matters. The Fig Tree Hotel offers something simple and rare:

- Complete privacy
- No other guests
- Space to work, think and connect properly

When you book an exclusive hire the entire hotel is yours. That means your team can focus without distractions, logistics, or competing noise.

It creates the conditions where:

- Training lands better
- Conversations are more open
- Teams leave aligned and energised

For small business owners, that time together is invaluable.

## Why a Full Hotel Hire Works Better

Many venues aren't designed for smaller teams:

- Large hotels can feel overwhelming and impersonal
- Conference Centre's lack warmth and flexibility
- Rented houses offer space - but little support

At The Fig Tree, everything is on one site and professionally managed:

- Everyone stays together
- Sessions start and finish smoothly
- Evenings flow naturally into dinner and conversation It removes friction - and lets you focus on what you came to do.

It removes friction — and lets you focus on what you came to do.

## Ideal for Training & Team Sessions

The hotel naturally supports productive, practical events:

- Morning: Training sessions or workshops
- Afternoon: Breakouts, planning or informal discussion
- Evening: Dinner, drinks and team time

No taxis. No venue changes. No complicated planning.

Your programme fits around the hotel - not the other way round.

## The Space

The Fig Tree Hotel is boutique, modern and relaxed - professional without feeling corporate. It includes:

- 24 en-suite bedrooms (ideal for teams staying together)
- Flexible restaurant space for training, meetings or private dining
- Bar and terrace for informal conversations and downtime

The layout works especially well for smaller teams who want to stay connected throughout their stay.

## Food & Experience

Good food makes a real difference to an effective away day or training break. We take care of everything:

- Fresh, seasonal menus
- Working lunches or relaxed meals
- Evening dinners designed for groups

If you'd like to add something extra, we can also help arrange:

- Coastal walks
- Simple local activities
- Informal team experiences on the island

## Location

- Close enough to reach easily. Far enough to switch off.
- The Fig Tree Hotel is located in Shanklin on the Isle of Wight, making it ideal for teams travelling from the South and London.
- The journey itself creates a natural break from day-to-day business - helping teams arrive ready to focus.
